

LIFE AFTER DEATH

Ever wondered why people die, and what will happen to a person when he or she dies? Has it ever crossed your mind if there is life after death? In this account we unveil the true cause of death, and the only way to eternal life. A happy ever after life after death and departure from this world.

My After-Life Experience

After the following true-life experience, it saddens me deeply when people tell me they don't believe in after -life.

One faithful night I went to bed as usual, as I slept off, I noticed I had died in my sleep. And, all of a sudden, I saw my spirit leaving my body, and almost immediately my spirit left my room and was heading through the sky. In few seconds I was standing before the Lord Jesus Christ in Heaven.

As I stood with Jesus in Heaven, I saw how the devil and his demons were terrorising the inhabitants of the earth with all sorts of afflictions and atrocities. They were afflicting people with all manner of diseases and sicknesses, poverty, depression, deceits etc. I saw them dragging their victims to Hell. In fact, they were just killing, stealing, and destroying according to the gospel of Saint John 10:10.

Seeing these terrible destruction, I became sad, and I immediately understood why the Lord was sad whilst looking at the earth. I said, Lord, what is this? Sudden realisation hit me and I exclaimed, is this the reality on earth? And the Lord said to me, "yes, but you are saved, and you made it here because you accepted me as your Lord and Saviour while you were on earth".

Well, as I saw the horror on earth from there, I told the Lord my job on earth wasn't finished yet. That I needed to go back to the earth. The moment he said "go back", all of a sudden, I saw my spirit going back to earth, then entered into my body, and I came back alive, then I woke up.

Beloved, thousands of people die every day, but we really don't know where they finally end up. But, according to the Holy Bible, and from what I saw during those few minutes with the Lord Jesus, Heaven and Hell is REAL. Whether we believe it or not doesn't change anything.

The Cause of Death

For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord. Romans 6:23.

Right from the beginning after God created the first man and woman - Adam and Eve. They disobeyed God, and the consequence of their rebellious act was death to Adam and Eve, and the entire human race (Romans 5:12). This is simply because sin gives birth to death - Adam and Eve's sin led to the death of mankind. In addition, the book of Romans 6:23 made it clear that the wages of sin is death. In other words, death is payment for our sins - we earn it.

Based on God's standards of justice, we have all sinned and are actually heading to eternal separation from God, which is Hell - "For all have sinned, and come short of the glory of God" Romans 3:23, "And whosoever was not found written in the book of life was cast into the lake of fire" Revelation 20:12.

Who Needs Forgiveness of Sin?

The Scriptures, God's holy Word declares; For all have sinned, and come short of the glory of God. Romans 3:23

Having explained the consequences of sin, the next question is: who is a sinner? Beloved, anyone who disobeys God or breaks any of the moral laws (the ten commandment) is a sinner.

If you have ever broken any of God's commandments, then you are a sinner and require a saviour – and only saviour is Jesus Christ the Son of God. According to the scriptures, lust, drunkenness, hatred, sexual immorality, lying, stealing, idolatry, filthiness, indecent actions, witchcraft, fighting; envy, anger, ambitious, orgies etc., are all sin against God. Remember, also that the Word of God says whoever breaks one of these commandments has broken the whole commandants (James 2:10).

The Promise of Eternal Life

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16

Even after the fall of man through disobedience of Adam and Eve, God still offered a way to reconcile us back to Himself. And that reconciliation is through His son Jesus Christ – “Now this is eternal life: that they know you, the only true God, and Jesus Christ, whom you have sent” John 17:3.

Beloved, there is life after death, whether we believe it or not. One day the dead, small and great, will stand before God, and will all be judged according to their works. The Bible concludes and I quote, “And whosoever was not found written in the book of life was cast into the lake of fire” Rev 20:12-15. According to Roman 3:23, all have sinned against a holy and righteous God, and are actually heading to eternal damnation. But, given that God is rich in mercy, He has provided a way for us to be saved. God did this by sending His only son to die for our sins on the cross (John 3:16).

The legal implication here is - Jesus death, burial, and resurrection paid for our sins. However, the payment is only applicable to those who believe and accept Jesus as their Lord and Saviour. According to the scripture, anyone who accept Jesus into their heart will pass from death to life - "Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live" John 11:25.

Physical and Spiritual Laws

***For the law of the Spirit of life in
Christ Jesus hath made me free from the law of sin and death.
Romans 8:2***

Just as we have physical laws, we equally have spiritual laws. From all indications, man is more comfortable with physical laws, but tends to ignore spiritual laws. Meanwhile, spiritual laws are just as important as physical laws. Newton's law of universal gravitation is a typical example of a physical law. Again, have you ever wondered why people die - death is the outcome of the (spiritual law) law of sin and death. The Bible refers to in Romans 6:23 as the wages of sin is death.

The good news is, when Jesus died on the cross to pay for the sins of the world, a new spiritual law came into existence. That law is the law of the spirit of life in Christ Jesus. This new law in Christ Jesus sets us free from the law of sin and of death when we accept Jesus Christ as our Lord and Saviour.

The real question here is; if you should die today and God were to give you justice for all your personal sins, where will you spend eternity? I encourage you to think about what you have just read, repent from your sins, and accept Jesus Christ as your Lord and Saviour, so you can be saved from eternal damnation.

To accept Jesus Christ into your life as your personal Lord and Saviour. Kindly say the following prayers and confession and mean it in your heart:

“Lord Jesus, I believe you died for me and that God raised you from the dead. Please forgive all my sins. I choose to turn away from them now and I ask you to come into my heart and life as my Lord and Saviour.”
